May 2017

Discussion Questions

1 Peter 4:7-11 & Matthew 28:16-20

1. Are there people in your life that are easier to serve than others?
Being honest, who are the most difficult people for you to serve, and why is that?
2. Read Acts 20:35, Matthew 20:28, and John 13:14-17. If we look at just the example of Jesus' life, how was his love most revealed? As you look at your life is your love shown in the same ways?
3. Daniel Henderson was quoted as saying that, "The devil does not have to destroy a Christian; he only has to distract him." What kinds of worldly lullabies are distracting you in grogginess and apathy in your life? Is there a spiritual urgency in your life right now?
4. Can you specifically point in the last seven days, to a love that cost you, stretched you, or strained you? Is there someone in particular that the Lord is laying on your heart to love this way in the next seven days?
5. Read Hebrews 13:2 and 1 Peter 4:9. Since hospitality is a command rather than an option, what do you need to do specifically to obey God's word? What is one way you can show hospitality to God's people within your group?

6. Personal reflection questions: Read 2 Corinthians

A. Am I struggling with cheerful, sacrificial, and generous stewardship in the Christian life...?

- ...in giving my time to serve the local church?
- ...in giving my finances to the local church?
- ...in giving my love and praying for others around me?

B. Is the bulk of what I do here at Harvest Bible Chapel 'consumeristic'? That is, do I view this church from a perspective of what I can get from it?

10. What were some presuppositions you held about Go Time before you heard this message?

11. Placing yourselves in the disciples' shoes, how would you have felt hearing Jesus' charge to his disciples found in verses 19-20?

12. Notice in the passage that the Great Commission has bookended promises. Record those promises below. V18 – A promise of _____ V20 – A promise of _____

Why is it so critical for the Christ follower to always consider verses 19- 20 in light of these promises? What would happen if we seek to Go and forget one or the other promise?

13. Some reasons why Go Time is so difficult for so many people include: § Ignorance (God Time is not understood as our time) § Insecurity (fear of man, lack of fear of God) § Indifference (lack of love for God and fellow man) § Inconvenience (too busy with self) Which of these particular struggles is God challenging you on today?

14. Where / With Whom is God challenging you specifically with GO time?
